OWASA is Carrboro-Chapel Hill's not-for-profit public service agency delivering high quality water, wastewater, and reclaimed water services.

Summary of the OWASA Board of Directors' Work Session on September 12, 2019

Please note: *The summary below was prepared by staff and is not approved by the OWASA Board. OWASA's webpage with Board meeting information includes the Board's adopted minutes, agenda materials, staff's meeting summaries, audio recordings of Board meetings on second Thursdays of the month, and videos of Board meetings on fourth Thursdays. The agenda and related information for the September 12th meeting are available here.*

The Board of Directors:

- Received an update on the Agua Vista Metering Initiative and Web Portal. The deployment phase of the project was completed in June 2019 on-time and under-budget and is already achieving our goals for water conservation and operational efficiency. Nearly 30% of customers are registered for the online web portal which provides proactive leak notification and customized water conservation data and tips. Customers can register for Agua Vista at owasa.org.

- Received and provided feedback on OWASA's Diversity and Inclusion Program with new metrics and Equal Employment Opportunity / Affirmative Action report for Fiscal Year 2019.

- Received an update on the Long-Range Water Supply Plan and approved a list of supply and demand management strategies to evaluate in the Plan.

The Board will hold its next meeting on Thursday, September 26, 2019 at 7 PM in Council Chamber, Chapel Hill Town Hall, 405 Martin Luther King Jr. Boulevard, Chapel Hill and Thursday, October 10, 2019 at 6 PM in the OWASA Community Room, 400 Jones Ferry Road, Carrboro.
