The NRTS Committee will meet on Thursday, June 20, 2013 at 5:00 PM in the OWASA Boardroom. The purpose of this meeting is for staff to update the Committee on some of the issues and milestones associated with our ability to gain access to our Jordan Lake allocation, including:

- the latest Jordan Lake Partnership activities;
- our efforts to retain our current allocation;
- our perspective on the water supply risks that OWASA faces and the alternatives we have to mitigate those risks; and
- the status of our discussions with staff from Cary and Durham.

We look forward to seeing you on June 20th.
