OWASA is Carrboro-Chapel Hill's not-for-profit public service agency delivering high quality water, wastewater, and reclaimed water services.

Summary of the OWASA Board of Directors' Work Session on October 14, 2021

Please note: *The summary below was prepared by staff and is not approved by the OWASA Board. OWASA's webpage with Board meeting information includes the Board's adopted minutes, agenda materials, staff's meeting summaries, recordings of Board meetings on second and fourth Thursdays of the month. The agenda and related information for the October 14th Board Work Session that was held virtually are available here.*

The Board of Directors:

- Provided feedback on alternative agreements to reliably access OWASA's allocation of water in Jordan Lake as part of the ongoing update to the community's Long-Range Water Supply Plan. Additional Board discussions are anticipated in late 2021 and early 2022 before additional community feedback is sought.

- Received an update on the development of OWASA's new strategic plan. Guiding principles have been set for the strategic plan update and feedback has been solicited from the community, the OWASA Team, professional stakeholders, and current and former members of the OWASA Board of Directors. Additional information will be presented to the Board in late 2021.

The Board will hold its next virtual meeting on Thursday, October 28, 2021, at 6:00 PM; information for the meeting will be provided on OWASA's website at www.owasa.org/board-of-directors-meetings.
