ADDENDUM 1 to BIOSOLIDS LIQUID SPREADER RFB

All bidders responding to the request for the above referenced equipment shall take note of the changes to the Specifications for Equipment, which shall become part of and have precedence over anything contrarily shown or described in the Request for Bids, and all such shall be taken into consideration and be included in the bid response.

Bullets four and five of the specifications are revised as shown on the following page.

All other general items and conditions shall remain the same. Please acknowledge the receipt of Addendum 1 with the Bid Sheet.

The return receipt requested with this communication will be deemed evidence that the bidder has received this Addendum and has followed the instructions outlined herein. Please sign, date, clearly print company name and return thus sheet back to Orange Water and Sewer Authority with the submitted proposal.
