Summary of the OWASA Board of Directors' Annual Meeting on November 10, 2022

Please note: The summary below was prepared by staff and is not approved by the OWASA Board. OWASA's [webpage with Board meeting information](#) includes the Board's adopted minutes, agenda materials, staff's meeting summaries, recordings of Board meetings on second Thursdays of the month. The agenda and related information for the November 10th meeting are available [here](#).

The Board of Directors:

- Authorized OWASA's Executive Director to file applications on behalf of OWASA as the property owner for various permits required for the Western Intake Partnership Project.
- Received an update on a class of manufactured chemicals called PFAS. The chemicals are being studied for their potential health impacts and regulations on these chemicals in drinking water are expected from the Environmental Protection Agency.

The Board will hold its next meeting on Thursday, January 12, 2023, at 6:00 PM, in OWASA's Community Room at 400 Jones Ferry Road, Carrboro; information for the meeting will be provided on OWASA's website at www.owasa.org/board-of-directors-meetings.
